CELEBRAMOS JUNTOS 29 AÑOS DE AGRICULTURA ORGÁNICA GUALTALLARY

DOMAINE BOUSQUET
Naturally Elegant Wines™

GRAN

GRAN BOUSQUET ORGANIC CHARDONNAY 2025

This wine began life in the first vineyard planted by the Bousquet family in 2000, after their arrival from France. In the high desert Uco Valley in Argentina's Mendoza region, the site captured their imagination on account of its sand (low-fertility sandy soil makes for elegant wines) and access to water. Grapes here are the last to be harvested, ensuring more richness and body.

LOCATION
Gualtallary, Tupungato, Uco Valley, Mendoza, Argentina

VARIETAL COMPOSITION
100% Chardonnay

SOIL
The Gran Bousquet Line integrates the four soil types found in the vineyard: Sandy, Sandy Calcareous, Stony Calcareous, and Super Stony. This approach allows for the creation of diverse components, offering a variety of styles and possibilities for blending.

VINEYARDS
Domaine Bousquet basa su filosofía en agricultura ecológica y sustentable para lograr uvas puras y con identidad de terroir. El viñedo está en Alto Gualtallary, Tupungato, a 1.200 msnm, y se caracteriza por tres factores: clima fresco de montaña, suelos arenosos, pobres y permeables que aportan mineralidad, y aguas subterráneas puras provenientes del deshielo de los Andes.

WINEMAKING
Hand harvested during the first week of March. The bunches are pressed at low temperatures. Fermentation with native yeast in oak barrels for 30 days. Aged for 6 months in French oak barrels.

TASTING NOTES
Intense aromas of white fruits, pear, coconut and vanilla. Smooth and creamy palate with medium to high volume and refreshing acidity.

PAIRING
Pair with grilled or marinated chicken and vegetables. Best served at 10°C/50°F.

RS: 1.65 **ACIDITY/PH:** 5.02/3.39 **ALCOHOL:** 13%
