

Gaia Earth Goddess[®]

Gaia Organic Malbec Nouveau 2022

Background:

GAIA, the Greek goddess of the earth, has been the Bousquet family's inspiration since founding our winery in 1997 when we pioneered and cleared virgin land in the high reaches of Tupungato's Gualtallary district. From the start, our Gaia wines have been crafted with a French winemaking sensibility and made from organic fruit grown at a cool 1,200-m/4,000-ft altitude. Starting with the 2022 vintage, our Gaia wines are certified Biodynamic by Demeter.

Soil:

Poor sandy gravel soils with good drainage.

Vineyards:

Thanks to the Uco Valley's dry climate and phylloxera-resistant sandy soils, farming organically at Domaine Bousquet, from day one, was not only possible, but expedient. Other factors that set this landscape apart include constant breezes from the Andes to the west, helping mitigate heat-stress in this desert-like climate. Significant day/night temperature differentials contribute enhanced aromatics, while sandy soils result in low fertility, desirable for vine stress and ideal for good drainage. With rainfall averaging a scant 8"/203 mm annually, groundwater from Andes snowmelt is vital for vineyard irrigation. Time has shown that the roots of organically grown vines penetrate deeper, enabling greater access to water in times of drought. Not least, organic farming is decidedly better for the long-term wellbeing of the local environment, as well the people who tend the vines.

Winemaking:

Hand harvested by the end of April. Careful hand selection of the cluster and grapes. Fermentation at a maximum temperature between 26°C/79°F and 28°C/82°F for 15 days and 30 days of maceration. 100% Malolactic. Aged in French oak between 8 and 10 months.

Technical Data:

Varietal: 100% Malbec
Alcohol: 14,5%
Residual Sugar: 0,93
Acidity / PH: 4.95/3.63

Tasting Notes:

Wine with aromas of red fruits, among which cherries, plums and cherries stand out with floral and sweet traces. On the palate it is juicy, with a marked sweetness that flows linearly and leaves a pleasant aftertaste. It is a wine with good tannins that is consumed young and at a temperature of 10°C/50°F to 12°C/54°F.

Pairing:

Perfect as an aperitif. Serve slightly chilled 10°C/50°F to 12°C/54°F.
