

## Bousquet Organic Pinot Grigio

2022

### Background:

**Domaine Bousquet's** premium varietal series comprises a blend of estate and purchased organic fruit from the Uco Valley in the high Andean foothills. The grapes benefit from major day/night temperature swings, achieving exuberant ripeness while retaining the juiciness that invites a second glass. The wines are vinified with a French sensibility. The wines are un-oaked – an on-trend sensibility of little or no oak to let the fruit shine through and make the wines extremely food-friendly.

### Soil:

Gravel and sandy Soil.

### Vineyards:

Our vineyards are in the Uco Valley at the foot of the Andes at 4,000 ft / 1.200 mts altitude. Thanks to the dryness of the area and its phylloxera-resistant sandy soil, farming organically at Domaine Bousquet from day one was both possible and smart. The three main factors differentiating this virgin vineyard and its terroir are: the near constant breezes from the Andes to the west which help mitigate heat-stress in this desert-like climate, with its huge day/night temperature differentials, the sandy soils result in low fertility for desirable vine stress and yet are permeable for good drainage. The prevalence of groundwater, with rainfall averaging a scant 8-inches / 20 cm or less per year, from Andes snowmelt is vital to irrigate the vines drop-by-drop. In addition to the unique terroir- roots of organically-grown plants penetrate deeper, absorbing trace minerals that give wines their authentic local taste. Organic farming is healthier for the environment and, vitally, for the people who tend the vines.

### Winemaking:

The grapes from Uco Valley are harvested and then fermented with selected yeasts at a maximum temperature of 15°C/59°F for 20 days.

### Technical Data:

**Varietal:** 100% Pinot Grigio **Alcohol:** 13%

**Acidity-Ph:** 5.62/3.29 **Residual Sugar :** 1.28

### Tasting Notes:

Light yellow color with greenish reflections. Aromas of lime and apple. Balanced with a fresh natural acidity.

### Pairing:

Ideal for accompany white fish, shellfish and white meat dishes. Serve between 8°C/46°F and 10°C/50°F.

Uco Valley, Mendoza, Argentina.
